# **Voluspa Candles**

**Luxurious vibes flash bright pink flirty rays,  
Parfume enclosed iconically my dear,  
Each candle lit illuminates the ways,  
Thy heart shines piercing darkness there and here.**

# **Meri Meri**

**Yon garland strings celebrating legend,  
Pieces of my heart ever yours I spake,  
May plates grace top tables beyond seasons,  
Our friendship shone through every move you make.**
